**Notes:**

- 1 The above financial results have been taken on record by the Board of Directors in their meeting held on 29th day of July 2011.
- 2 Compared with the corresponding period of the last financial year, although the income from operations has increased but there is a decrease in the net profit because of reduced volume in Job Work and more emphasis being given on manufacturing and trading activities.
- 3 Previous period's figures have been regrouped/rearranged wherever necessary.
