

## Product Feature:

- Screen Size 40"
- USB Supported
- PC Supported
- Effective Pixel 16.0 Million

| Model                    | VIN-LED-S40                                   |
|--------------------------|---|
| Screen Type              | LED   |
| Resolution               | Full HD 1920 x 1080P                          |
| Screen Reference Rate    | 120Hz   |
| 3D Ready                 | No  |
| Screen Size              | 40" Inch                                      |
| Speakers                 | 2   |
| Speakers Out Power       | 20W   |
| Effective Pixel          | 16.0 Million                                  |
| Input Current            | 1.8 amps @ 220V; 3.8amps @ 110V 50/60Hz       |
| Output Current           | UL Standard Output Voltage - Less than 48V DC |
| USB Input                | 2.0 USB                                       |
| PC Supported             | Yes   |
| Illumination             | >12000LUX                                     |
| Beam Angle               | 90°   |
| HDMI Input               | HDMI 1.4                                      |
| Blue-ray Decoding        | H.264   |
| Movie                    | AVI, MPEG, MPEG-4, TS, MKV, RMVB              |
| Music                    | Mp3, WAV, AAC                                 |
| Photo                    | JPG, JPEG                                     |
| Android Operating System | Yes   |
| LAN / WiFi               | Supported                                     |
