

## Product Feature:

- Support 1080 recording encoding
- Two high-speed USB2.0 interfaces
- Upto 4TB SATA Interface HDD\*1
- Backup, mobile monitoring, PTZ control.
- Support, Android, iPhone, Mac.
- Support ONVIF protocol

| Model               | VIN-NVR-8104                                                                   |
|---------------------|--------------------------------------------------------------------------------|
| Main Processor      | HISILICON 3520D                                                                |
| Pentaplex           | Live recording, Playback, Backup Remote access, PTZ control, Mobile monitoring |
| Control Mode        | USB mouse, Keyboard, Network                                                   |
| Performance         | 8CH@1080(P/N)                                                                  |
| VGA / HDMI          | VGA / HDMI : 1080(P/N)                                                         |
| Video               | 8CH Realtime                                                                   |
| Audio               | 8CH Network Audio Input                                                        |
| Alarm               | No                                                                             |
| PlayBack            | 4Channel Playback                                                              |
| Digital Zoom        | Yes                                                                            |
| Protocols           | Support ONVIF protocol                                                         |
| Frame Rate Display  | 1080P(1920×1080)25fps/960P(1280×960)/720P(1280×720)25fps                       |
| PTZ                 | Supported                                                                      |
| USB                 | 2 * USB2.0                                                                     |
| Mobile Phone        | Support iPhone, Mac, and Android Mobile Phone                                  |
| HDD Capacity        | Up to 4TB, SATA Interface HDD*1                                                |
| Network Interface   | 1*RJ45,100Mbps Ethernet                                                        |
| Upgrade             | USB DISK, Network                                                              |
| Backup              | USB DISK, Network                                                              |
| Power Supply        | 12V/3A                                                                         |
| Working Environment | -10°~+55 °/10~90%RH/86~106Kpa                                                  |
