

Smart WiFi Camera

Product Feature:

- Auto-tracking with alarm , Cloud storage or support 128G SD/TF card
- System with alarm function: Smart alarm / Abnormal sounding alarm / Auto tracking alarm . The alarm message is sent to mobile phone in real time .
- Platform encryption, high level of privacy security, 24-hour uninterrupted cloud storage.
- Cloud storage support for multiple online viewing at the same time, support offline playback; One page can display four screens at the same time.
- APP : Yoosee

SPECIFICATION

MODEL	VIN-PTXB-720128YO
Main processor	RTS3905N
Image sensor	Sc1245
PCB board size	Main board : 38.6*53MM (XB)
Pixel	720P
Day-night mode	Auto IR cut Support
3D	Support
Monitoring	Support
Two way audio	Support
PTZ	AAC/G.711, Two-way Intercom
Video compression standard	H.264
Video compression code rate	32 Kbps~1.5Mbps
Resolution	HD : 1MP 1280*720 / SD : 1MP 640*360
Photosensitive area	SC1245(1MP) 1/4"
Turn around / Color to B/W	Support
Storage function	TF card (max128G) or cloud storage
WIFI Standard	IEEE802.11b/g/n
Intelligent alarm	Motion detection
supporting protocol	TCP/IP, UDP, P2P, DNS, DHCP, RTSP
Platform docking	Support P2P/forward hybrid transmission
General function	Sound alarm function, reset, three-way code stream, up to 4 channels for simultaneous online viewing .
Mobile app	Yoosee
Power	DC5V
