With the consistent effort of the promoters and management, the Company settled all its secured debts with the secured creditors during pendency of the case with BIFR and finally a draft revival scheme as proposed by the Company was approved by the Hon'ble BIFR vide its order dated 02.06.2009 thereby laying the foundation towards the path of revival and rehabilitation of the Company. In the process of settlement with the bankers / financial institutions, the management arranged various finance facilities from NBFC's and other parties. Accordingly, to recognize the contributions made by the promoters and their associates, a suitable provision was made in the DRS for reduction of paid-up equity share capital of the Company as one of the relief and the same was approved by the Hon'ble BIFR. In order to implement the said provisions of reduction of paid-up equity share capital of the Company by 90% in terms of approval of the Hon'ble BIFR, it is proposed that to equitably and proportionately allot equity shares to all the shareholders without reducing the number of members.

Item No. 8 & 9

As informed to the members in previous annual reports, the Company was declared as a Sick Industrial Company on the basis of audited annual results for the year ended 31.03.2003 under the provisions of Sick Industrial Companies (Special Provisions) Act, 1985 by the Hon'ble BIFR vide its order dated 01.02.2007 under case reference No. 257/2003 & 309/2004. During the pendency of case before the Hon'ble BIFR, the management of the Company made all its efforts to settle with the secured creditors and the same was materialized vide individual settlements entered with the bankers / financial institutions. In terms of the settlement, the Company arranged funds from NBFC's and other associate concerns and re-paid the bankers / financial institutions. Simultaneously, the Company was preparing its draft revival scheme for consideration and approval of Hon'ble BIFR in which, apart from other relief sought, the Company also proposed financial restructuring. Under the financial restructuring, the Company proposed that the existing paid-up equity share capital of the Company be reduced by 90% which was approved by the Hon'ble BIFR vide its order dated 02.06.2009. In order to implement the draft revival scheme of the Company as approved by the Hon'ble BIFR, it is required that every shareholder whose name appears in the Register of Members of the Company be allotted equity shares for a value of 10% of the shares held by them reducing thereby the total paid-up capital by 90%. The Board considered the matter in detail during which it is deliberated that on the existing denomination of equity shares, it will not be possible to equitably and proportionately implement the same and therefore, it is prudent that the denomination of equity shares be split from Rs.10/- each to Rs.1/- each, so that even after reducing the paid-up equity capital by 90%, neither any fraction of share is left out unrepresented nor a practical difficulty arises while allotting shares to the members who holds less than 10 equity shares.

In view of the above, it is recommended by the Board that the existing equity shares of Rs.10/- each be split/sub-divided into equity shares of Rs.1/- each and for implementation of the said decision the Clause V of the Memorandum and Article 5(a) of the Articles of Association needs to be amended suitably. Accordingly, the Board recommends the passing of Resolution covered under item No.8 & 9 of the Notice read with the explanation given above.

None of the Director of the Company is interested, except to the extent of their shareholding in the Company.

In view of the above, the Board recommends the passing of Resolution covered under item No.10 of the Notice read with the explanation given above.

Out of the total requirements, a sum of Rs.1450.00 Lakhs (Rs.450.00 Lakhs as Secured Loan and the remaining amount of Rs.1000.00 Lakhs as Unsecured Loan) has been advanced by M/s. In view of the above, the Board recommends the passing of Resolution covered under item No.11 of the Notice read with the explanation given above.

None of the Director of the Company is interested, except to the extent of their shareholding in the Company.

With the introduction of low range Laptops in the market, even a sizeable segment of computer users have been shifting their choice to Laptops instead of Personal Computers. However, the loss of high segment consumers are well adjusted by the growing awareness, increased penetration and demand of Personal Computers in rural and semi-urban market, which has a vast potential and appetite ensuring the growing demand of Personal Computers in time to come.
